Dear Judge Greenwood:

We have received Attorney Norfolk's email requesting that you strike from the record our letter commenting on the certified record prepared by APA staff.

Mr. Norfolk has apparently missed the fact that it was APA staff—not Your Honor—that circulated the certified record and it was APA staff's request that comments be submitted by 5:00 p.m. It was not a judicially established deadline of the type that Mr. Norfolk has previously seen fit to ignore.

We regret that Mr. Norfolk continues to waste your time and the time of the parties with his baseless objections.

Sincerely,

Christopher Amato
