Re: In the Matter of the Application of Unconventional Concepts, Inc. and Michael Hopmeier
APA Project No. 2021-0276

Dear Ms. Sullivan:

Protect the Adirondacks (PROTECT) submits this letter in response to the Adirondack Park Agency staff's summary of the record in the above-referenced proceeding.

PROTECT joins in the letter submitted by counsel for the Adirondack Council and supports the arguments, reasoning and points made therein, including but not limited to objecting to inclusion of the Compiled Application Materials in the Record. The statements, representations and conclusions set forth in the application were never supported by sworn testimony and subjected to cross-examination, and were never introduced or accepted into evidence. The application was therefore never formally made a part of the record and it has no probative value.

On behalf of PROTECT's Board of Directors, we thank you for the opportunity to provide these comments.

Respectfully submitted,

Christopher Amato
Conservation Director and Counsel
