

JURISDICTIONAL INQUIRY FORM

A. INSTRUCTIONS

Submit this form to obtain a written determination whether an Adirondack Park Agency permit or variance is needed for a proposed project. This form is not a permit application. If you know you need an Agency permit or variance you should not submit this form, but instead you should contact the Agency for the appropriate permit application form. Information about Agency permit jurisdiction can be found on the Agency's website (www.apa.ny.gov) and in the Permit Checklist on pages 10 and 11 of the Agency's 'Citizen Guide' which is also available on the website.

The Jurisdictional Inquiry Form must be signed by a person having a legal interest in the property (i.e., landowner or person having a signed purchase contract ["contract vendee"]). If the person under contract to purchase the property signs this form, then a copy of the purchase agreement signed by both parties must be provided (the sales price may be removed).

The legal issues involved in determining jurisdiction are complicated. All of the information requested on this form is necessary in order for us to determine if the proposal requires an Agency permit or variance. The County Clerk's Office, Real Property Tax Services and/or the Town Office may be able to assist you in obtaining property information (i.e., tax map number, history, copies of deeds, etc.).

You MUST include a copy of the current recorded deed, tax map number, a description of your proposal, including a sketch map and the landowner or contract vendee's signature. WE CANNOT RESPOND TO YOUR INQUIRY WITHOUT THIS INFORMATION.

The history of the property as it existed on the May 22, 1973 enactment date of the Adirondack Park Land Use and Development Plan is critical to determining Agency jurisdiction.
