RE: Regulatory Programs Status Report

Attached is the Regulatory Programs Status Report for February 2012. Please note that the report currently contains 3 months of data for "Active Project Applications Received" which is now in order by project number with project numbers prior to 2000 at the end of the report. The "Active Project Applications Received" report does not include applications for which permits have already been issued. A field titled "status date" has been added to this report which shows the date of the most recent action for the project. Applications for which a permit has been issued are shown in the "Permits Issued" report which shows 2 months of data. The "Preapplications Received Report" contains 6 months of data.
