MEMORANDUM

TO: Terry Martino

FROM: Kathleen Regan

DATE: September 8, 2016

RE: MA2016-03 (Town of Crown Point)

The Adirondack Park Agency received an application for an amendment to the Official Adirondack Park Land Use and Development Plan Map (the Official Map) from the Town of Crown Point. The request is for an approximately 6.4 acre parcel to be reclassified from its current classification, Low Intensity Use, to Hamlet. The area is served by the Town's public sewer and water systems.

The Agency adopted a Draft Supplemental Environmental Impact Statement (DSEIS) at the July 2016 meeting. A hearing was held in Crown Point on August 17, 2016. No comments were made at the hearing or in writing.

This month's mailing includes a draft of the Final Supplemental Environmental Impact Statement (FSEIS) and a draft Order and SEQR Finding Statement. A printed copy of the draft FSEIS is attached to this memo. The FSEIS includes a recommended preferred alternative to reclassifying the 6.4 acre area from Low Intensity Use to Hamlet.
