**FROM:** Terry Martino, Executive Director

**DATE:** June 2, 2011

- Draft May 2011 minutes for:
  - Full Agency
  - Regulatory Programs
  - Park Policy and Planning
  - Legal Affairs
  - Enforcement
- Monthly activity reports by division
- CD containing Settlement Agreements received in May

Please retain your copies of minutes sent with today's mailing for discussion in July.

If you have any questions relative to the enclosed materials, please contact me or Chairman Stiles.
