RE: Annual Summary for 2012

Attached are copies of annual program summaries for 2012, as follows:

Action/Coordination/Efficiency (ACE)
Local Government Services
Public Awareness & Communications
Resource Analysis & Scientific Services (RASS)
Planning/Park Policy/State Land/Cartography & Information Analysis
Regulatory Programs

We intend to compile this information into the Agency 2012 Annual Report and a presentation at the February meeting.

As there was no reference material for the January Agency meeting or Settlement Agreements received in December, a CD is not included with this mailing.
