TO: Terry Martino, Executive Director

FROM: Richard Weber, Deputy Director, Regulatory Programs

DATE: February 6, 2013

RE: Regulatory Programs Status Report

Attached is the "Active Project Applications Received" for January 2013. Please note that the report currently contains 2 months of data for "Active Project Applications Received" which is now in order by project number with project numbers prior to 2000 at the beginning of the report. The "Active Project Applications Received" report does not include applications for which permits have already been issued. A field titled "status date" shows the date of the most recent action for the project. Applications for which a permit has been issued are listed in the "Permits Issued" report showing only 1 month of data. The "Preapplications Received Report" contains 6 months of data.
