RE: Regulatory Programs Status Report

Attached is the "Active Project Applications Received" for March 2013. Please note that the report currently contains two months of data for "Active Project Applications Received" which are now in order by project number with project numbers prior to 2000 at the end of the report. The "Active Project Applications Received" report does not include applications for which permits have already been issued. A field titled "status date" shows the date of the most recent action for the project. Applications for which a permit has been issued are listed in the "Permits Issued" report showing only the month of March. The "Preapplications Received Report" contains six months of data.
