

**M E M O R A N D U M**

**TO:** Agency Members and Designees

**FROM:** Terry Martino, Executive Director

**DATE:** July 31, 2013

**RE:** Reference Material - Public Comments on Classification

Attached is a list of *Key Issues and Themes from Public Comments*, which is a summary of issues raised in public hearings and comment letters sorted by State Land Master Plan decision criteria for classification. The document is not an exhaustive list of all comments received to date, but does attempt to capture some of the more substantive issues raised at public hearings and in comment letters which will be addressed in the Final Environmental Impact Statement.
