PREFERRED ALTERNATIVE

NEW STATE LANDS CLASSIFIED PRIMARILY AS PRIMITIVE WITH WILD FOREST AND WILDERNESS AREAS ALONG THE HUDSON RIVER AND WILD FOREST BUFFERS BETWEEN THE WILDERNESS AND PRIMITIVE AREAS

First Instance - Alternative 2A(1) - Would create one larger Essex Chain Lakes Primitive Area if a bridge across the Cedar River is authorized. A Wild Forest corridor would continue south to Indian Lake.

Second Instance - Alternative 2A(2) - Would create a smaller Essex Chain Lakes Primitive Area, and the Pine Lakes Primitive Area if there will be no bridge across the Cedar River. A Wild Forest corridor would continue west into Blue Mountain Wild Forest.
