- (3) Presentation on the Code Enforcement Officers Training Program (B. Grisi)

For the past several years, APA planning staff have worked with the Northern Adirondack Code Enforcement Officials Association Educational Conference to provide opportunities for APA staff to meet with CEOs from around the Park. At the conference, APA maintains a display table with RASS, Regulatory Programs, Enforcement, and Planning staff working in rotating shifts during the 4-day event. This arrangement allows CEOs to meet many of the APA program staff and the ability to discuss issues in an informal setting.
