RE: Technical Map Amendment 2014-01(Former Camp Gabriels)

The State of New York will soon convey an approximately 92 acre parcel in the Town of Brighton, Franklin County, to a private entity. This parcel of land is the site of the former Camp Gabriels Correctional Facility, and it is currently classified on the Adirondack State Land Master Plan Map as State Administrative. NYS Office of General Services (OGS) anticipates closing on the real estate transaction before the June Agency meeting.

Map Amendment 2014-01 is a technical map amendment which will add the parcel to the Adirondack Park Land Use and Development Plan Map and classify it as Moderate Intensity Use, the same classification as the adjacent private lands. On May 28, 2014, staff mailed notice of our intent to amend the map to the prospective landowner, OGS and local government officials and have not received any comments to date.

A draft Order and a map is attached to this memo.
