MEMORANDUM

TO: Terry Martino
FROM: Kathleen Regan
DATE: November 8, 2017
RE: MA2017-02 (Town of Crown Point)

The Adirondack Park Agency has reviewed a request for an amendment to the Official Adirondack Park Land Use and Development Plan Map (Official Map) from the Town of Crown Point. This map amendment would reclassify 201.6 acres near the Hamlet of Crown Point from Low Intensity Use to Moderate Intensity Use.

The Agency published a Draft Supplemental Environmental Impact Statement (DSEIS) on May 12, 2017. A public hearing was held on June 15, 2017 and the comment period concluded on July 3, 2017. Staff has prepared a Final Supplemental Environmental Impact Statement (FSEIS). Staff is recommending the map amendment be approved. The FSEIS contains a Staff recommendation as the preferred alternative.

A printed copy of the Executive Summary of FSEIS is attached to this memo. A copy of the full FSEIS, including appendices, and a draft Order that reflect Staff's recommendation is included on the Agency mailing CD.
