MEMORANDUM

TO: Terry Martino

FROM: Kathy Regan

DATE: July 5, 2018

RE: Proposed Final Generic Travel Corridor Unit Management Plan for State Highway Travel Corridors in the Adirondack Park

I write to ask that the Agency Board authorize staff to proceed to public comment on conformance of the New York State Department of Transportation's (NYSDOT) "Proposed Draft Generic Travel Corridor Unit Management Plan for State Highway Travel Corridors in the Adirondack Park," dated June 2018 (TCUMP), with the Adirondack Park State Land Master Plan (APSLMP). The Proposed Final TCUMP and supporting materials are included on the CD provided as part of the mailing for the Agency Board's July 12-13, 2018 meeting.

NYSDOT and the New York State Department of Environmental Conservation (NYSDEC) are co-lead agencies for the TCUMP for purposes of the State Environmental Quality Review Act (SEQRA). They accepted public comment on the Public Draft TCUMP from September 13, 2017 through November 27, 2017, including at three SEQRA public hearings in Ray Brook, Old Forge and Warrensburg.

In the Proposed Final TCUMP, NYSDOT has highlighted, in yellow, changes made to the plan since it was shared with the public in 2017. An accompanying spreadsheet explains each of the changes made. NYSDOT has also provided a summary of the public comments received on the 2017 Public Draft and its response to those comments.

The Proposed Final TCUMP and supporting materials are offered for the Agency Board's consideration.
