Dear Mr. Burth:

This office represents Joseph M. Cotazino, Jr. and Joy A. Cotazino, the owners of the above-referenced real property. We are in receipt of a copy of your correspondence dated August 21, 2019, which followed the site visit conducted by Trevor Fravor of your office on August 13, 2019. We acknowledge that your correspondence requested that Mr. Cotazino respond to you by September 4, 2019. Due to the recent holiday and vacation schedules, Mr. Cotazino was not able to meet with me until September 5 to discuss this matter. This correspondence is being sent in response to your correspondence.

Mr. and Mrs. Cotazino are genuinely interested in effecting a resolution with the Adirondack Park Agency at this time, but are not able to enter into the settlement agreement as currently proposed. In order to move this issue along expeditiously, I respectfully ask that you or your Agency's staff counsel who has familiarity with the factual background contact me as soon as possible to effect a resolution that is acceptable to both the Agency and the Cotazinos.

We also ask that no one from your Agency undertakes any access to the property without the owners' express permission during this period of time

Thank you for your time and consideration.

Very truly yours,

MAYNARD, O'CONNOR, SMITH & CATALINOTTO, LLP
