Received your note, I did attempt to resolve this countless times in a manner that worked for all parties involved, including the viability of economic sustainable growth in the hamlet of Long Lake. The entire town has shown great support for the renovation/ upgrade of this important property.

There are legal issues now facing the APA regarding this situation.

I will suggest the jennifer be given the common sense authority to resolve this so when the current crisis abated the hamlet of Long Lake will be able to recover, post haste.

Anne Marie, please pass the note on to Terry Martino. Thank you
