**RE: Agency Enforcement File E2019-0070
Tax Map Parcel 25.016-1-5
Town of Long Lake, Hamilton County**

Dear George and Austin Carrothers:

Enclosed is the Notice of Apparent Violation (NAV) and supporting documents regarding your alleged shoreline structure setback violation in the above-referenced matter. These are the same documents forwarded to you on October 28, 2019. Agency records indicate that Austin Carrothers has not responded to the NAV or otherwise contacted the Agency on this matter. Because any determination by the Enforcement Committee will affect Austin Carrothers as a landowner of the above-referenced parcel, we are forwarding the NAV a second time to give a final opportunity for Austin Carrothers to respond. Please note that we are giving you 30 days from the date of this letter to respond in writing.

This matter is now scheduled before the Enforcement Committee at the Adirondack Park Agency meeting on July 15-16, 2021. Please note that the Agency is following safety protocol guidance in effect for New York State Agencies. Based on this guidance we will contact you prior to the July meeting to confirm the date and time the Enforcement Committee will convene on this case and whether the meeting will be conducted in-person or remotely.

Please contact Enforcement Program Supervisor John Burth with any questions.

Sincerely,

Terry Martino
Executive Director
