Park Policy and Planning Report

Dan Kelleher provided a report of service area activities.

Adirondack Park Population and Land Classification Statistics

John Barge provided a report on the US Census 2020 park population count noting that this was the first decennial census where accurate population figures for the Park could be determined. John Barge presented a new Agency web application where the public can view demographic information about the Park.

Molly Jordan presented updated land use classification statistics and unveiled a new Agency web application where the public can view the information.
