

Certificate of Appreciation

Georgeanne Gaffney

March 16, 2023

Since 1987, the month of March has been nationally designated as Women's History Month. During the March 2023 Board Meeting, the Adirondack Park Agency celebrated and recognized extraordinary women of all backgrounds who made immeasurable contributions to the Adirondack Park, New York State, and the nation.

Local and nationally renowned artist Georgeanne Gaffney shared her passion of fine art and displayed contemplative works as part of the "Remarkable Women of the Adirondacks" exhibit. Her fine art pieces are inspired by the wonders of the natural world and initiate a dialogue about our relationship with nature.

The Adirondack Park Agency expresses its appreciation to Georgeanne Gaffney for generously exhibiting inspirational paintings as part of the Agency's celebration of Women's History Month. These locally motivated fine art pieces express the limitlessness of creativity and were an exceptional compliment to the "Remarkable Women of the Adirondacks" exhibit.

Presented this 16th day of March 2023 in Ray Brook, New York.
