Regulatory Programs Report (David Plante)

David Plante began his report by updating the board regarding the permitting and application numbers year to date, with comparisons to prior years for the Regulatory Programs Division. Mr. Plante then spoke of the recent public interest item of Battery Energy Storage Systems (BESS), the issues surrounding these types of projects and the working group formed by Gov. Hochul, and the work the Agency is doing to be ahead of the curve once these types of applications start coming in.

P2022-0037 Carver (Bart Haralson)

Bart Haralson gave a brief recap of the project as it was presented in October, and then proceeded with more detailed information and data based on the questions asked by the board at the October board meeting. Board members asked additional questions, which Mr. Haralson along with Ms. Purzycki did their best to answer.

A motion for approval was made by Dan Wilt and seconded by Matt Tebo. All were in favor.

P2023-0036 Paradox Lake Association (Aaron Ziemann)

Aaron Ziemann gave a detailed overview and presentation of the project including review of jurisdiction, conclusions of law, a description and slides of the project location and the existing conditions, site history, proposed project details, public comment, review by others, and staff's recommendation and permit conditions.

A motion for approval was made by Matt Tebo and seconded by Ken Lynch. All were in favor.

Full Agency resumed at approximately 1:45 pm.

9. Committee Reports

a) Regulatory Programs Committee

Dan Wilt reported that the committee had heard a report from Dave Plante.

Next was a presentation by Bart Haralson on P2022-0037 Carver Sand & Gravel, LLC a proposed project which involves changes to an existing mine last authorized by Agency Permit 2008-0246C.

On motion of Dan Wilt, seconded by Ken Lynch, the board voted unanimously to approve the permit.

Last was a presentation by Aaron Ziemann on P2023-0036 Paradox Lake Association which addresses the application of the aquatic herbicide ProcellaCOR EC within two treatment zones in Paradox Lake to control Eurasian watermilfoil.

On motion of Dan Wilt, seconded by Matt Tebo, the board voted to approve the permit with member Zoë Smith voting against it, saying that it was a great presentation, however using the project to do testing on the lakebed didn't sit well.

There was no old or new business.

b) Public Awareness and Communication Committee

Mark Hall reported that the committee had heard a report from Keith McKeever and then had a great presentation by Amy Godine.

There was no old or new business.

10. Interim Reports

The Administration, Economic Affairs, Enforcement, Legal Affairs, Local Government Services, Park Ecology, Park Policy and Planning and State Land committees did not meet this month.

Mark Hall noted that the Economic Affairs committee will be meeting in January with a report from Dan Kelleher and will have quarterly presentations going forward.

Ken Lynch noted that public comments on state land classification package are due by November 22, 2023.

Local Government Review Board Report

Jerry Delaney said that housing is an item that is high on the Local Government Review Board's list. They would like the APA to look at easing the way for towns to increase hamlet boundaries and look into how to begin increasing housing stock.

Jerry Delaney also noted that it has been a while since they have had any new UMP's brought to the Board, adding that it would be nice to get previously purchased land classified prior to the State making new purchases.
