

Dock 4 Path Vegetation Removal

Upper Saranac Lake Marina

26 January 2024

Vegetation Removal – A minor amount of vegetation is required to be removed at the Dock 4 access connection to the shoreline. This is the only shoreline vegetation that is proposed to be cut as part of the project. Proposed cutting is summarized in the table below.

DBH	Species	Count	Notes
Less than 1"	Beech	5	
Less than 1"	White Pine	5	
1"	White Pine	1	
6"	White Pine	1	
1"	Alder	Clump	
NA	Ferns and Blueberry		Ground cover, difficult to quantify

Proposed cutting is significantly less than APA shoreline cutting restrictions.

Vegetation was field verified on 13 November 2023 by J. Grant, EIT of North Woods Engineering, PLLC.
