Attention: Alan Lord-Project Manager

Subject: Woodward Lake Subdivision driveway Locations.

On April 28th I reviewed the proposed driveway locations that you had staked along Collins Gifford Valley Road and the new proposed road location on High Rock road. I would recommend adjusting the driveway locations on lots 13, 14, 16 and 20 as discussed, to improve the sight distance. The other lots appear to have adequate sight distance along with the proposed new road entrance on High Rock Road.

Please let me know if you need anything else.

Ken Cramer,
Highway Superintendent.
