## **Service-Disabled Veteran Owned Business (SDVOB) Program**

What is the SDVOB Program?

The [Service-Disabled Veteran-Owned Business Act](#), (Article 17-B of the NYS Executive Law) signed into law by Governor Andrew M. Cuomo on May 12, 2014, allows eligible Veteran business owners to get certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB). The goal of the Act is to encourage and support eligible SDVOBs to play a greater role in the state's economy by increasing their participation in New York State's contracting opportunities. The OGS Division of Service-Disabled Veterans' Business Development is responsible for certifying eligible SDVOBs and assisting and promoting their participation in the state's procurement activities.

Visit the New York State Office General Services website at <https://ogs.ny.gov/veterans> for additional information on this program and to find out how to become a certified SDVOB.

The NYS Adirondack Park Agency currently encourages six percent (6%) SDVOB participation in the purchase of commodities and/or on state-funded contracts.
