Emergency Project Description

On July 10, 2023, heavy rain and severe flooding created hazardous conditions in New York State posing an imminent danger to public transportation, utility service, public health, and public safety systems. The storm caused significant damage to NYS Routes 28, 28N and 30 in the Towns of Long Lake and Newcomb. On July 11, 2023, the Town of Long Lake issued a State of Emergency and Governor Kathy Hochul issued Executive Order 29.1 declaring a State Disaster Emergency in Hamilton County. The proposed project involved the replacement of bridge/culvert structures where NYS 30 crosses Shaw Brook and where NYS 28N crosses Fishing Brook Creek, along with pavement repairs to the roadway over the 5.5± miles of roadway between these two (2) structures, as well as 4.5± miles of roadway between the Fishing Brook Creek bridge and the Town of Newcomb.

General Notice

This Emergency Certificate does not convey any right to trespass upon the lands or interfere with the riparian rights of others in order to undertake the work authorized herein, nor does it authorize the impairment of any easement, right, title, or interest in real or personal property. Nothing contained in this Emergency Certificate shall be construed to satisfy any legal obligations of the Applicant to obtain any governmental approval or permit from any entity other than the Agency, whether federal, State, regional, or local.

AUTHORIZATION issued this 12th day
of July, 2023.
