SUMMARY AND AUTHORIZATION

This permit authorizes a two-lot subdivision in an area classified Rural Use on the Adirondack Park Land Use and Development Plan Map in the Town of Ellenburg, Clinton County.

This authorization shall expire unless recorded in the Clinton County Clerk's Office within 60 days of issuance of a signed and notarized permit. The signed and notarized permit shall be recorded in the names of all persons listed above and in the names of all owners of record of any portion of the project site on the recordation date.

The project shall not be undertaken or continued unless the project authorized herein is in existence within five years of the date the permit is recorded in the Clinton County Clerk's Office. The Agency will consider the project in existence when an authorized lot has been conveyed to an outside party.

The project shall be undertaken in compliance with all conditions stated herein. Failure to comply with this permit is a violation and may subject the permittee, successors, and assigns to civil penalties and other legal proceedings.

This permit does not convey any right to trespass upon the lands or interfere with the riparian rights of others in order to undertake the authorized project, nor does it authorize the impairment of any easement, right, title or interest in real or personal property.

Nothing contained in this permit shall be construed to satisfy any legal obligations of the permittee to comply with all applicable laws and regulations or to obtain any governmental approval or permit from any entity other than the Agency, whether federal, State, regional, or local.

PROJECT SITE

The project site is a 237.80±-acre parcel of land located on Ellenburg Center Road in the Town of Ellenburg, Clinton County, in an area classified Rural on the Adirondack Park Land Use and Development Plan Map. The site is identified as Tax Map Section 99, Block 2, Parcel 18.21, and is described in a deed from Lorrin E. LaBombard and Donna M. LaBombard to Daniel E. Manor and Tammy M. Manor, dated March 15, 2010 and recorded March 17, 2010 in the Clinton County Clerk's Office under Instrument Number 2010-00231025. A portion of tax map parcel 99.-2-18.21 is outside the Adirondack Park.

Additional wetlands not described herein or depicted on the Survey Map may be located on or adjacent to the project site.

The project site is improved by a single family dwelling, on-site wastewater treatment system, and accessory garage structure.

The project site was created as "Lot 2" in a two-lot subdivision as authorized by Agency Permit 2001-0103.

PROJECT DESCRIPTION

The project as conditionally approved herein involves the subdivision of a 237.80±-acre parcel into one 78.07±-acre lot (Lot 1) and one 159.73±-acre lot (Lot 2). No new land use or development is proposed. The project is shown on a single-sheet survey map titled, "Map of Survey Prepared For Daniel E. Manor and Tammy M. Manor", prepared by Timothy Langdon, L.L.S., dated September 15, 2025, and received by the Agency on September 18, 2025 (Survey Map). A reduced-scale copy of the Survey Map for the project is attached as a part of this permit for reference.

AGENCY JURISDICTION

Pursuant to Section 809(2)(a) of the Adirondack Park Agency Act and Adirondack Park Agency regulations at 9 NYCRR Part 578, a permit is required from the Adirondack Park Agency prior to any subdivision involving wetlands in the Adirondack Park.

CONDITIONS

THE PROJECT IS APPROVED SUBJECT TO THE FOLLOWING CONDITIONS:

1. The project shall not be undertaken until this permit has been recorded in the Clinton County Clerk's Office.
2. This permit is binding on the permittee, all present and future owners or lessees of the project site, and all persons undertaking all or a portion of the project. Copies of this permit and the Survey Map shall be furnished by the permittee to all subsequent owners or lessees of the project site prior to sale or lease, and by the permittee and/or any subsequent owner or lessee to all persons undertaking any development activities authorized herein.

3. In addition to complying with all terms and conditions of this permit, all future activities on the project site shall be undertaken in compliance with the requirements of New York State's Adirondack Park Agency Act, Freshwater Wetlands Act, and the Adirondack Park Agency's implementing regulations [9 NYCRR §§ 570-588].
4. All deeds conveying all or a portion of the lands subject to this permit shall contain references to this permit as follows: "The lands conveyed are subject to Adirondack Park Agency Permit 2025-0227, issued December 31, 2025, the conditions of which are binding upon the heirs, successors and assigns of the grantors and all subsequent grantees."
5. Subject to the conditions stated herein, this permit authorizes a two-lot subdivision as depicted on the Survey Map. Any subdivision not depicted on the Survey Map shall require prior written Agency authorization.
6. The construction of any dwelling or other principal building on the project site shall require prior written Agency authorization.
7. There shall be no more than nine principal buildings located on Lot 1. The Agency makes no assurances that the maximum development mathematically allowed can be approved.
8. There shall be no more than 27 principal buildings located on Lot 2 at any time. The single family dwelling constructed on the property in 1986 constitutes a principal building. The Agency makes no assurances that the maximum development mathematically allowed can be approved.

CONCLUSIONS OF LAW

The Agency has considered all statutory and regulatory criteria for project approval set forth in the Adirondack Park Agency Act, the Freshwater Wetlands Act and 9 NYCRR Part 578, and 9 NYCRR Part 574. The Agency hereby finds that the subdivision authorized as conditioned herein:

- a. will be consistent with the land use and development plan;
- b. will be compatible with the character description and purposes, policies, and objectives of the Rural Use land use area;
- c. will be consistent with the overall intensity guidelines for the Rural Use land use area;
- d. will comply with the shoreline restrictions of § 806 of the Adirondack Park Agency Act;
- e. will not have an undue adverse impact upon the natural, scenic, aesthetic, ecological, wildlife, historic, recreational or open space resources of the Park or upon the ability of the public to provide supporting facilities and services made necessary by the project;
- f. will secure the natural benefits of wetlands associated with the project, consistent with the general welfare and beneficial economic, social, and agricultural development of the state; and
- g. will be compatible with preservation of the entire wetland and will not result in degradation or loss of any part of the wetland or its associated values.

PERMIT issued this 31st day
of December, 2025.
