

A person in a purple jacket and black pants is cross-country skiing across a snowy field. The background features a dense forest of bare trees and a large, rocky mountain peak covered in snow under a clear blue sky.

# Trails and Adirondack Communities

# Trails, Trail Networks, & Trail Towns

From a single trail to a connected network

# Amenity or Infrastructure

More than something nice to have

# Why Trails Matter

Why communities invest in trails

# From Community Needs to a Plan

What role could trails play in your community?

## PUBLIC INFORMATIONAL MEETING REGARDING NEW BIKE PARK AND BROADFORD TRAILS

May 20<sup>th</sup> 4:00-6:30  
(Rain date May 27<sup>th</sup>)

At Pavillion #3 in  
Broadford Park

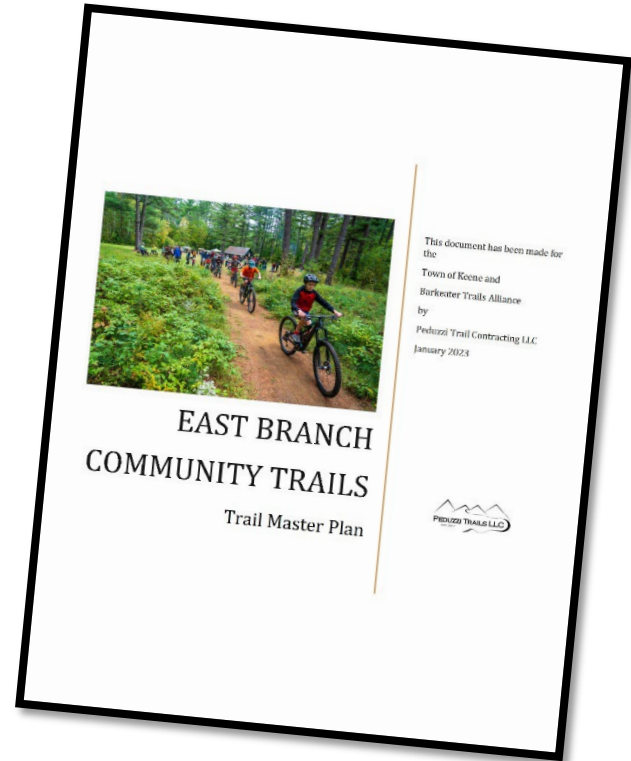

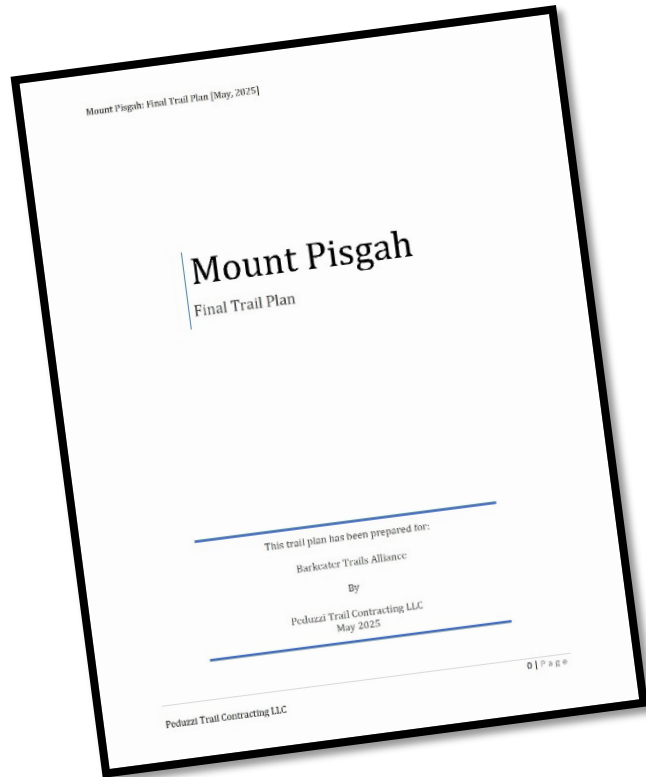

We want to hear from our community about the features and amenities that you would like to see in the new Bike Park and Broadford Park!

Please take the survey about the bike park and trails here [oaklandmd.gov/skillspark](https://oaklandmd.gov/skillspark)

# The Role of a Trails Plan

Turning ideas into something workable

# We Have a Plan – Now What?

How these projects can actually get done

# Key Takeaways

Trails are infrastructure, not a luxury

# Key Takeaways

Trails are infrastructure, not a luxury

Start with your community

# Key Takeaways

Trails are infrastructure, not a luxury

Start with your community

Demand follows what people can see

# Key Takeaways

Trails are infrastructure, not a luxury

Start with your community

Demand follows what people can see

Set goals that fit your town
