

Adirondack Forest Easements

Map overlay analysis was conducted with DEC Real Property GIS data from March 2008 and APA APLUDP/SLMP GIS data from April 2008. Due to map scale and parcel boundary source differences acreage should be considered approximate. DEC Easement data indicates there are approximately 599,600 acres of Adirondack Forest Easement in the Park.

Approximate Acreage of DEC Easements on Private Land and Water

Hamlet	100
Moderate Intensity	1,000
Low Intensity	6,000
Rural	82,000
Resource Management	497,000
Industrial	2,000
Water	9,000
