

Land Use Planning Consultants Who Have Practiced in the Adirondacks

Revised: July 17, 2024

The following consultants provide land use planning services to Adirondack municipalities. The individuals and companies listed have requested their contact information be included. The list is not inclusive and additional consultants may be identified through the [New York Planning Federation](#) or the [American Planning Association](#), also listed, among other resources. *The Adirondack Park Agency does not endorse any consultant or attest to their qualifications or services offered.* This list is open and individuals or firms may be added, or entries updated, by providing appropriate contact information by emailing LocalGovernment@apa.ny.gov. Guidance on selecting a consultant also can be found on the [American Planning Association website](#).
